

PROJECT DOSSIER

NEPAL AND TIBET

Kathmandu to Kathmandu
29 Days
1450 Kms (Land Kms)
Including 75 Kms trekking.

This project is a combination of the complete “Nepal Dekho” journey of 14 days and with days 2 to 16 of “The Highroad to Lhasa” journey. They link up in Kathmandu so you could be travelling with people who are just taking part in either one of these projects.

The integral flight cost from Lhasa to Kathmandu is not included in the project cost and local payment.

For full information please request dossiers
