Hammersmith
London

11th September 1981

Dear Lance

Thank you for your completed application form.

Encounter Overland needs capable people to train as expedition leader/drivers with a view to a long-term engagement.

With this in mind we should like to meet you in the near future. We would like you to attend a week-end at our Bedfordshire base, at which we can not only assess your suitability, but also give you a much clearer idea of what working for Encounter Overland involves.

For this you would need to be available during the week-end of Saturday/Sunday 3rd-4th of October, starting here at these workshops at 9am sharp on the Saturday.

Enclosed you will find details of 1) what to bring and 2) how to get here. We will have concluded the week-end by approximately 4pm on the Sunday. Accommodation for the one night will probably be under canvas.

If you are interested and able to attend this week-end, will you please telephone this number (0462 815424) confirming your attendance. At the same time we can finalise the rendezvous for anyone arriving by train. In the event of you not wishing to attend, it would be appreciated if you could telephone advising us so.

Please note that no assistance in respect of travel costs will be considered for the first 50 mile radius from Shefford. A rate of not more than 6p per radial mile will be offered as Encounter Overland's contribution for each subsequent 50 mile radius or proportionate part thereof + £10 if a sea crossing is involved.

Yours sincerely

M J SEXTON
for A LINDSAY JONES
