Miss Marion Gray, of Melbourne, had been killed and Miss Jane Ketchley and Mr F. Towys, both of Sydney, had been injured in a bus smash in Turkey on Sunday, the Department of Foreign Affairs said yesterday.

The accident had occurred near the town of Mus, about 650 miles from Ankara, in a remote part of eastern Turkey. Five people were killed in the accident.

The bus was operated by a London-based company called Encounter Overland Tours, the department said.
