

PROJECT DOSSIER

HIMALAYAN CHALLENGE

KATHMANDU TO KATHMANDU

34 Days

180kms on river &
200kms trekking

Nepal - Eastern and Everest Regions

This project is a combination of the 'Sun Kosi: River of Gold' 10 days, and the 'Upstream to Everest' 28 day projects, but does not include Chitwan National Park. They link up in Chatra so you could be travelling with people who are taking part in either of these projects. This is the ultimate challenge, for full information please request dossiers SKR and UEV.
