

# ENCOUNTER OVERLAND LTD.

warmly invite you to an  
exciting, informative evening  
of films and slides

Dear Traveller,

Having read our brochure you may well decide that it provides all the information you need about our treks, safaris and expeditions.

If, however, you would like to meet me personally and learn more about our exciting range of journeys then may I suggest coming along to one of our free, informative film evenings. I have recently returned from leading expeditions in all three continents and will therefore be able to answer any questions you may have.

Each show will feature Asia, Africa and South America, plus an in depth look at the vehicles we use and the wide range of equipment carried on them. A combination of slides and movie film will provide a vivid impression of just what it's really like to participate!!

There will be ample opportunity to ask questions or to discuss your individual travel plans. The presentation will start promptly, lasting approximately 2¼ hours, with a break for drinks halfway through.

Do bring a friend along if you wish, they will be most welcome. It is advisable to phone (or ask your travel agent to) and make a reservation, as at some locations places are limited. The number to ring is shown under each location.

I very much look forward to seeing you in the near future and discussing your travel plans in more detail.
