INDIA AIR/OVERLAND RETURN £155

Enclosed you will find details of a regular flight each Wednesday from London to Bombay for £95.

Also enclosed you will find details of Encounter Overland expeditions to India, Kashmir and Nepal. The expeditions end in Calcutta and only a few members return overland with us to England. You will notice that the return for them is only £50.

It is necessary to add the cost of extra advertising etc. to the price of the return overland journey which must go up to £60, but even so the round trip is a remarkable offer. It is inclusive of accommodation and food. It is necessary to add to it only comprehensive travel insurance which can be tailor-made to your departure date. The insurance is as described in the brochure and includes air travel. 2 months cover is £4.10.0. and 3 months cover £6. This is only a guide to give you an idea of this other essential cost.

As explained there are flights each week. There are though only limited places on the vehicles coming back to London. Dates and number of places available are as follows:

Vehicle departures from Delhi:

July 17th	10 places.
September 4th	40 places.
November 20th	20 places.

Final joining instructions for the return will be given with your air ticket.

On this basis of course your stay in India, of any length you wish, is your own affair. India being sterling area means you are unlikely to need much of your non-sterling area overseas allowance.

To make your reservation - whether you want only the flight out, or the return overland as well - complete the form attached to the flight details and return to us with the reservation fee of £10 per person. On confirmation from us of seat availability you will be asked to forward the balance. If seats are not available as you require you will have the choice of alternative dates or the return of your reservation fee.

We advise an early reply and will be pleased to answer any queries you may have.

DETAILS FOR THOSE JOINING THE EXPEDITION
RETURNING FROM DELHI ON

Assembly arrangements:

The group returning with Encounter Overland from India will assemble at:

No. 2, Hailey Road,
New Delhi.

on:

It is expected that the vehicle will arrive in Delhi that day and depart the next. It is however possible that it will not arrive until the following day. If this is the case the vehicle will leave on the same day as it arrives.

Administration:

Each member of the group is expected to make sure he has the necessary visas required by his nationality. British subjects need visas for Afghanistan and Iran. These should be got either in London or Delhi and in plenty of time. It is possible for the leader/driver to get these when the group forms in Delhi, but you will make life easier for all if you can make these arrangements yourself. We realise that sometimes the embassies concerned can be a little awkward about the issuing of visas and that sometimes one is told to get them elsewhere, i.e. in Pakistan. In this case exactly that will be done en route.

The balance of the cost:

Those who have not paid the balance of the cost of the return beforehand should settle the amount with the driver on joining the group in Delhi. Payment must be in either pounds or dollars or some other strong currency. Rupees will not be accepted.

Insurance:

All passengers must be in possession of personal travel insurance. If you are unable to make this arrangement yourself we can be of assistance with cover for the duration of the journey. The cost for £2,000 personal accident policy will be £2.7.6. (excluding baggage).

Warning:

People are warned of the strictest penalties for smuggling into all countries en route and of the strong attitude it is only circumspect for Encounter Overland to take and that is clearly stated in the conditions of contract on the back of the booking form.

FLIGHTS LONDON - BOMBAY,
AND BOMBAY - LONDON.

£95.

In association with various social clubs we are able to offer at substantial discount a weekly air service London - Bombay.

Flights from London via Luxemburg and Aden to Bombay are by D.C.6B.

Flights are every Friday - Eastbound, and every Monday - Westbound.

It should be noted that these propellor aircraft are slow by comparison with the most recent jets and are not as luxuriously furnished.

BOOKING.

If you are definitely interested send the reservation fee of £10 per seat now with the completed reservation form attached. You will receive an official receipt and flight confirmation with instructions to forward the balance of £85. A ticket will then be issued to you within seven days. All cheques to be made payable to ENCOUNTER OVERLAND.
